“Minute Menu works with you, the individual sponsor, to compile information the way your state requires it.”

– Pat – Washington – Sponsor

“So here I sit on the 2nd of the month, with 150 claims processed, reviewed, and [provider letters] printed! That's over half of what our total claim count should be and I have until the 10th to get everything done! I can hardly believe it. . . . it is phenomenal!”

– Betty – Wyoming – Sponsor

“We appreciate the excellent technical support that is available with our system.”

– Aileen – Hawaii – Sponsor

“This has really made my paperwork easier and faster. Thank you Minute Menu!”

– Terri – Minnesota – Provider

“I love the program. I was really, really skeptical. Simply because I hate change, as most of us do. Now that I am actually working on Minute Menu, I would never want to go back to paper. It is just too simple.”

– Samantha – Kentucky – Provider (along with countless others)
